How to use this workbook

God used His words to create the heavens and the earth (Genesis 1) and YOU are created in the image of God...AND because YOU are created in the image of God that means that YOUR words have power to create too!

Just in case you're still not convinced that what you say matters, Proverbs 18:21 reveals, "The tongue has the power of life and death, and those who love it will eat its fruit." In other words, YOUR words have the power of LIFE and DEATH. Just like a hammer can be used to tear something down or build something, YOUR words are tearing down or building up.

I've created this workbook to help you become of the words that you are speaking on daily basis and provided activations to help you start shifting any areas of your life where you need to begin speaking life.

Objectives

- Increase the awareness of your words
- Understand the power of yours words in environments and atmospheres
- Identify practical steps to increase the amount of life your words are releasing every day

ACTIVATION

Our faith is built by the words that we hear on a regular basis. List one way you would like to utilize the power of your words to build your faith in one area of your life.

For example, if you eat a lot of junk food and want to take better care of your body you could begin declaring life over your body by saying “I only eat things that are healthy for my body” every day.

day five
ACTIVATION

Psalm 139:17-18 - “How precious to me are your thoughts,[a] God! How vast is the sum of them! Were I to count them, they would outnumber the grains of sand—”

This verse reveals that the Lord has LOTS of thoughts about YOU...and they are good!

Ask the Holy Spirit to reveal some of His thoughts toward you and write them down.

Remember to use Romans 8:1, “therefore, there is now no condemnation for those in Christ”, as your filter. If what you hear feels condemning it’s probably not the Holy Spirit.

Take some time to pray the Holy Spirit's thoughts over yourself.

Hey! I'm Sarah

My first encounter with God came when I was 14 years old and eight years later I had the revelation of Jesus. The only discipling I received was from a new Christian friend who told me to "read your Bible". I didn't know if I was learning what I was supposed to during my time in the Word, I had no clue the Holy Spirit even existed, and I didn't know if I was hearing God's voice or not...but I never let it stop me! In hindsight, I had to disciple myself.

It is my conviction that discipleship is the key to seeing every believer activated to hear the voice of God, receive the baptism of the Holy Spirit, operate in the gifts of the Holy Spirit, and share the Gospel in a way that is unique to God's design for their lives.
